

When the weather outside is frightful!

The Wilmot Community Association Red Barn is open from 9 a.m. to noon Monday through Wednesday and for programs and events as noted on the WCA website's [events page](#) and [on-line calendar](#).

The WCA follows the Kearsarge Regional School District policy for closings due to inclement weather.

If district schools are closed for weather, the WCA's Red Barn will close and programs sponsored by the WCA and scheduled for the day or evening will be cancelled.

If the school district delays opening, WCA-sponsored programs scheduled for the afternoon or evening will be held, weather permitting.

Whenever possible, we will post weather and emergency closings on the WCA [website](#) and [Facebook page](#).

November 1, 2016

Founded in 1963, the Wilmot Community Association is a private, non-profit, membership-based organization.

Our office is located at the Red Barn, 64 Village Road in Wilmot.
Our office hours are 9-12 Monday through Thursday and by appointment.
