

Wilmot Community Association Office Weather Closing Policy

During winter months, the Wilmot Community Association office will follow the Kearsarge Regional School District's weather closings.

- If the schools are closed, the WCA office will be closed.
- If there is a two-hour delay, then the WCA office will be open.
- If afternoon buses and evening activities for the schools are cancelled, then the office will be closed.
- For weekend events we will make a call based on common sense.
- Check our website www.wilmotcommunityassociation.org or look on our Facebook page for the latest updates.
